Whig and Courbe."

Legislative Caucus The Maine Legislature will convene gone conclusion that Hon. A. R. Day, of

Corinna, will be elected President of the Senate and S. L. Larrabec, Esq., of Portland, Speaker of the floure. In the vember and was "counted out" by means Republican caucus this ovening it is of frauds on the part of Popoquatic elec-equally certain that Mr. Byron Boyd will be selected for promotion by a unau-inous nomination as a candidate for Secretary of State- and that Treasurer Simpson will be nominated as his awn some at the usand vetes. According to successor. Both are experienced officials the Republicans Mr. Tillman was elected and fully merit this complimentary

the nomination of a candidate for At- that his plurality was more han three torney-General. For this important of thousand. naturally follows that someone is talstaken in forecasting results. . If there is time, Mr Appleton will doubtless reare fully recugalzed all over the State, and this course throughout the contest which seem to believe that fraud is has been such as to greate no unpleasant feeling. He will go intof the caucus long as with the support of the Penobscot delegation behind him, aupplemented by

Maine Railreads ,

From the report of the Builroad Commissioners it appears that the total from which the South has a ffered so milage of roads operated by ateam | le milely creased during the year from 1,620.76 to Unfortunately nothing liamediate la the Ahlacd branch of the Baggs & Aroustockennd the Patter rold. The gross carpings of the rallround horosaid. trom \$7,521,127,22 to \$3,111,557,26. The number of passengers carried was 5,700,-615, a gain of 170,081 over the previous year. The passenger train fallage was 3,497,700, an increase of 500,178 mHes. 5,220,084, an increase of 225,250 tensor The freight train millage was 2,089,320, an increase of 276,029 miles.

The street rallway milage has increased during the year from 93.89 to 131.10, including the Bungo, & Orono system and extension of the Bangor system. The number of passengers carried during the year on the street railways was 12,702,steam rallways the Commissioners say: The accidents to passengers during the Year coding Julio 30, were four killed and cleven injured, as against two killed ; and eleven injury] in 1805. Three of the fatal social-ints were caused by the one-rallment of a train upon the Caused in Pacific rallway at Holet. The other than of life was from carelessness at a station, Of the eleven passengers in area, Ienwere from enuses attributable to their cwu carelessuess. Therefore it can be astely eath that only three passengers Counting House Ledgers were killed and that by an unusual need-dept, and one other to ired, by encies, beyond their control. There, were its employee killed and ob-leigred, as against those billed and a bridge of 1805. nine killed and 35 it jured in 1895.

Three of the first accidents and 31 of the lojurles were to treipmen and from

coupling and "uncoupling cars and engines. There were eight killed and 14 injured walls trespassing upon rallroads, as against 13 killed and eight lajired in 1805, belog live less, killed and six 'more Injured than in' 1895. Of those not treeselng there were 14 ir jured, as agalist passing refer were to higher as against J. A. D. GLYNN. being 11 less killed and three less no fored. (The total accidentate all persons were IS killedjand 100 irjured, na ngalast So kned and 22 more Injured, being 11 less killed and 22 more Injured. In 1895, on all the ruffreads in the country there was one trainman killed to 195 employed and one Injured to every 11 employed. To June 30, 1800; In this State there was one trainman killed to every 423 cm ployed and the injured to every 31 em-ployed, or about 25 per centl, as many proportionally as in the United States upon all the railroads.

A Remarkable Juror. The birtimen in the Brain data win

has stated that he voted for a verd et pronouncing the prisoner gullty against his convictions evidently does not realize the position in which he is placing him-wit. His each fully explained his duty in the lary ment and the suggestion that he felt bound to yield to the oplishe of the majority against his convictions is not calculated to improve his standing in the community either, as no his intelliging A IT IS SOLD EVERYWHERE. Rence of old much responsibility, The der onth he has so far as restalla his power sentere d a man to death for a erline which he now declares there was insufficient evidence to warrant a conviction.. Is is impossible to fell hor much rellance can be placed on tho statements of such a min now that be in te-Hevid from his oath. It may be, as the Boston lawyer suggests, that on emerging from the liry room he learned that the public was more or less surprised at the verdict, and tells his story withqueer ide that it bffords an honorable explanation of his course. The Court may take cogn'z inco of the remarkable. statement and furnish an object lesson for future jurymen. Such a condition of tends to interfere with the ends of las- To Every Gir or Boy tiee, but the judges who were on the beach during the trial will pass upon the evidence, listen to the arguments for and against a new trial and decide The case on its merits.

Congress Will Mee; To-Day. Courress will re-assemble to-day after the bolklay recess. Some of the Benators claim that the Cameron resolution will be adopted, while others, including Senator Hale, hold that there is no poslution. If the conservative sentiment of the country is heeded Congress will at tend strictly to the business of our own people. We suppose the position taken by the Administration concerning the recedention of a foreign power is bound to seems more or less debate, but the principal thing for Congress to do is to keen a level head and step upon any missue meelutione relating to our foroign relations. The intest news from Cube is a report that Minter is said slive. This report may or may not be true, but Afterwardly this meantitiety sometimes the charid in of the severe rating postimost in Dog

section of the country was represented, here was a free exchange of views preliminary to drafting, a memorial for the ier. Congressman Bontelle attended and received a vote of thanks for his suggestions as to the presentation of the cape before the committee and Martender or co-operation in becaring justice for the great lumbering nterests of the United Sates.

Fraud in Tennessee.

The Legislature of Tennesse, which Wednesday. So far as the organization will meet next. Monday, with have one of both branches is concerned it is a fore-important piece of business to consider. The Tennessee Republicans assert that their candidate for | Governor, the Hoo. George N. Tillman, was cleeted last Notion of the Ron. Robert L. Taylor, the Popocratic candidate, by a plurality of by a plurality of some exteen hundred. At the same time they believe that an he contest of the caucus will come on luvestigation of the election will show

fice there has been a spirited canvass, by the notorious that Henry C ay Evans, two of the candidates and the friends of the depublican candidate, for Governor, such claim to be certain of success. It was elected in 1804, but Turney, the Democratic candidate, was counted in.

It is a matter of common lutermation no choice on the first ballot, and this seems to be the outlook at the present Tennessee at the last election, and not in celve the support of many members who Commercial Appeal, the most conspicuwill feel that they have discharged their obligations to other candidates. His taken a many and securible position in eminent qualifications for the position favor of honest elections, and has been

By the side of a direct and shameless warm supporters in Weshington, Aross-took and other counties. His election merely temperary political or economic would give the utmost estisfaction to the violation of the freedom of elections, all lesues are of small importance. [12 the. will of the majority can be set aside, a bideous despotism is possible; and under the forms of law lawlessess is triumphont. It is sad that any State of the South: should countenance test fraud

long as it is practiced against ill pub-

1,720.02. The increased nillage included ... likely to result from the plending which the Tennessee Republicans; will submit to the Legislature next week. But the I attention of the State and lot the rest of the country will be called to their vitiated elections; and public opinion will pre. Of that Grantest of all News agencle year a repetition of them or give nublic oploion in Termessee is not excited by pa pable dishonesty.....
